

*Please note: Adornments inconsistent with the dignity of the cemetery are prohibited. Therefore, "excessive" holiday decorations that distract from Lakeview's natural garden setting are not permitted and will be removed.*

## We Love Dogs, BUT!!...

Please remember dogs are not permitted to run and play in our Memorial Park. The reason is obvious. Please do not take offense if when running your dog within our Park you are gently requested by one of our employees to take your pet to some other location.

Help keep the dignity of our Memorial Park. **NO DOGS!**

## Floral Containers

Families wishing to place flowers on interment sites of loved ones are welcome to use our free flower containers.

These containers are in the blue barrel located on our office patio to the right of the office entrance.

## New Rules & Regulations

### BENCHES:

Lakeview Memorial Park (Lakeview) offers memory benches for sale as embellishments to be placed in it's easements. The wording on these benches will be limited to the "Loving memory of \_\_\_\_\_" only. No dates or other endearments will be allowed to be incised in the granite. Placement location will be at the sole discretion of Lakeview. Incising will be on a per letter basis and will be added to the price of the bench.

A bench purchase does not create an interment right. Cremation benches, will not be allowed. Benches may be relocated from time to time, at Lakeview's discretion, due to the needs of the cemetery.

Because of care required in trimming, unsightly appearance and potential liability of the cemetery, placement of nonconforming benches is **NO LONGER ALLOWED**. Benches will be removed if they become, in the opinion of Lakeview, unsightly or pose a potential public hazard. When they are removed, they may only be replaced by a bench that meets the standards of the cemetery both in material and in placement. Any bench removed because of its appearance will be photographed and the bench removed to the maintenance area. It will be stored for a maximum of twelve months after the removal for the family to identify and take away from the cemetery. After this period of time the cemetery will dispose of the bench as it sees fit.

### MAUSOLEUM ADORNMENTS:

The Trustees have approved the removal of seasonal adornments from Crypts and Niches with the following schedule: March 1st, June 1st, September 1st and December 1st.

## Lakeview Memorial Park Has Added Additional Cremation Niches

If your choice is cremation, we offer many affordable options. Our newest is the Glass Front Niche in the Mausoleum of the Apostles. You can choose from a single (holding 1 urn) or double (holding 2 urns). Beautiful Urns along with pictures of your loved ones can be displayed in these Niches.

We also offer Glass-faced and Marble-faced Niches in our Mausoleum by the Lake starting at \$600.00 each for a single Niche. To schedule an appointment or for any questions you may have, please call our Family Service Advisors for a personal tour.

## UPDATES from... THE BOARD OF TRUSTEES

Dear Friends,

Our Staff receives many questions every day. I thought I would share a couple with you along with their answers:

**QUESTION #1:** My family has grown and I am wondering if the two graves we purchased previously could be made double depth?

**Answer:** Possibly they could. It would depend on their location, i.e. soil composition in the area. You should call the office and request to have the Superintendent check the location.

**QUESTION #2:** Does the cemetery buy back graves?

**Answer:** Yes, the Association does. We will buy back graves for cash or credit the value towards the purchase in another area or for a crypt or niche. Contact our Family Service Advisors.

With the Easter Holiday approaching, I want to remind you that Lakeview can purchase flowers and place them on the graves of your loved ones if you are unable to do so. Contact our office staff and they will be happy to assist you.

Sincerely,

David B. Stahl, Sr.  
President Board of Trustees
